

3 Decrees from St. Germain's I AM Teachings to recite
Daily in the Morning
(Twice daily, am and pm is even better)

Beloved Mighty I AM Presence enfold me now in my mighty, magic tube of Ascended Masters Light Substance. Make it so powerful no human creation can pass through. Keep me invisible, invincible and invulnerable to everything but thy Almighty Perfection and sensitive to thee and thy Divine Protection. We think thee thou dost answer our every call instantly, infinitely and eternally.

Beloved Mighty I AM Presence and Great Sanat Kamara, keep me in every person, place, condition and thing under the radiation of Ascended Master St. Germain surrounded by Lord Michael's wall of blue flame outside the tube of light for added protection until all are free and their ascension. We think thee thou dost answer our every call instantly, infinitely and eternally.

Beloved Mighty I AM Presence, charge forth through me now Saint Germain's most dynamic activity of Divine Love, the Violent Consuming Flame. Consume cause, effective, record and memory of any all feelings, mistakes and misconceptions responsible for by this outer. Replace it with the Ascended Masters quality of Light, Love and Perfection and sustain this activity with in me forever. We thank thee that thou dost answer our every call, instantly, infinitely and eternally

Use daily to provide Ascended Masters Protection, reduce anxiety and promote a state of safety and calm. Continued use creates a powerful momentum
