More – Mint and Eucalyptus – great for sinus, headache, virus, allergies - -check out the Smelly Artist Blog at Beloved Essences for more.

Egyptian Sandalwood Egyptian Sandalwood is light in color and clear. Has collagen, vits A & B, Basically a mini face lift in a little bottle. It's very thick so just use a small drop, spritz with water and smooth over neck and face area. You will love the effect.

Frankincense & Myrrh – Extremely treasured Essences. Inspirational and Spiritual. Restores depleted energies and raises ones vibrations, improves spiritual connection and helpful with meditation and visualization. Helps to relieve stress and feelings of despair. Excellent in skincare for aging and dry skin. Used in religious ceremonies for centuries. Known as one of the Holy Oils the Wise men gave to Jesus.

Protection – Very Special Blend from secret plant, red musk, frankincense & myrrh and Royal Amber all working for total protection for you and your home. Can also be used in the shower, and sprinkled around the house or burn in the candle burner. Comes with a special prayer.

Patchouli – Finest Patchouli – has an exotic aroma. Creates an amorous atmosphere. Helps to support health, removes negativity, fights anxiety and depression, helps with infection, insect bites, skin and scalp problems, water retention, cellulite, athlete's foot, stress related problems and addictions. Speeds healing and prevents ugly scaring. Excellent to relieve dry, chapped and wrinkled skin. Uses: Directly on skin, in candle burners, as vapor, in bath water, add to massage oil extenders, add to lotions and creams, as personal fragrance. Excellent blended with Egyptian Frankincense Myrrh and Lavender for added benefits.

Ylang Ylang – Known for centuries as a aphrodisiac. Keeps emotions balanced and helps reduce worries and is soothing for the mind. Calming and relaxing releasing tension, anger and nervousness. Helps with circulation and cardiovascular issues, and does wonders for skin and hair.

Sweet Dreams Blend - Special Blend of Angel, Main Gate, Lavender and other essences that will help you rest easily through the night and allowing an opening of clearer communication from your spirit, guides, higher self, god source through your dream state. Use this blend faithfully and you should see great improvements. Added results as other users have found, you too may stop needing sleeping pills. Be sure to use the Sweet Dream Prayer to move your vibration for relaxing. Comes with a special prayer.

True Love Blend - Special Blend made from a combination of essences including Honeymoon, Love Potion #9 and Secret of the Desert. Be sure to use the guided True Love Prayer to help raise your vibrations to send and receive True Love. Comes with a special prayer.

Lavender w/Royal Amber - Helps with headaches, insomnia, snoring, stress, thinking too much, memory and with Alzheimer. Place drop on first fingers of each hand. Breathe in deeply and gently 3 minutes with eyes closed then rub fingers at temples for 2 – 3 minutes. Headache usually gone in 5 minutes. For snoring and insomnia place 5 drops in water and mist over pillow. Can be deeply asleep as fast as 10 minutes.

Helichrysum - Helps with nerves and circulatory system, relieves tight muscles and minimizes bruising and various veins. Excellent for skin and nervous system. Can use on insect bites to calm them

PARIS – Pure Essence that is the used as the base of Paris Perfume

My business is called Beloved Essences because that’s exactly what they are, “Beloved. They are to be used regularly as part of your daily meditation and/or chakra balancing routine. As you discover a feeling, a favorite, any disharmony or emotion with them it’s the right one for you. essences you need. Just place it over the correct chakra on your body, or simply smell it and mediate calmly for a while.

Soon you will start to feel a release. Reiki masters and energy healers love working with these cards and essences.
